Attention Gulf Coast Health Center patients,

Gulf Coast Health Center is beginning COVID-19 testing for new and existing patients. Patients will first need to complete a questionnaire to see if they are eligible for testing. Moreover, testing is conducted only for patients that have COVID-19 symptoms or came into contact with individual(s) who has/had symptoms.

Pricing for testing is determined by your slide level which is based on your income. You can determine your slide by using our income tool listed below: Sliding Scale Income Tool
